Percentages handed out

Yesterdays call G Jackson invited to SADD program at Seneca/Tuesday night invited to Open House which is tonight

S Rubin, A Freeman, and I went to see new truck for mid point inspection couple of issues – biggest issue the two 15 ft suctions behind roll door is in box will most likely be 14.8 or 14.9/requested quotes for shelving/Met with D Cramer yesterday we will wait until truck arrives for the shelving to be completed

Introduced new Explorers

Captain Kustrup:

Last weekend was busy- GS Camp education went really well

Sunday Tech Drill confined space

May get the opportunity to do vent drill on house joint w/Beach Haven

Lt. Lichy:

Great drill with FF1 learned a lot would recommend using them again

Fire Police Captain Axner:

Thank you to all who went out last night

Chief Smith stated fire police getting really involved in County – someone needs to attend meetings doesn't necessarily need to be an Officer

Make sure if you are directing traffic you have vest with badge on it

Engineers:

R Saldan, S Vena, and Twp Admin. D Cramer will be going out to do the final inspection on the truck

Chief Smith discussed process and where the truck will go when it is delivered

Trustees S Rubin:

Old truck coming along tentative date of July to be completed – can go on website for Lee to view

Bathroom upstairs should have painted next week

M Kustrup stated have seen you working up there want to Thank You for working on the bathroom
